Card Print and Photo service for 10+ cards is fully mobile. DIGIDOX Can Create & Print at your event, site or business premises for real time card production!! Card template is pre designed and proofed prior to visit. Photo Taking and Card Print is generally 2-3 minutes per person —so 20–30 staff can easily be photo'd and cards printed within an hour. Staff take card with them then and there. (of course more time is added for vanity/preening !!) Material: Poly Vinyl Chloride (PVC) - 30 mil., Just like a credit card in size and appearance. Printing Technology: Dye sublimation.
